## LAGREIN RISERVA *Linticlarus*

2011

SÜDTIROL – ALTO ADIGE doc

**Description:** a deep garnet-red color, this typical South Tyrolean wine exhibits gentle aromas of wild berries and cherries. Fine grained, ripe tannins accompany its good acidity level, and give the wine elegance and persistence. A fine round finish.

**Food pairing:** excellent with red meat, game, poultry as well as hard cheese.

<b>Serving suggestion:</b>	17 – 18 °C
<b>Varietal:</b>	100% Lagrein
<b>Growing area:</b>	south-, southeast-facing hillside vineyards in Entiklar (230 – 330 m a.s.l.)
